

The logo for ESO 2018 Toulouse is a large red hexagon with a white border. Inside, the text "ESOF" is in large white letters, "2018" is in large grey letters, and "TOULOUSE" is in smaller white letters. Surrounding this central hexagon are several smaller hexagons of various colors (blue, green, purple, red, pink) containing white icons representing different scientific fields: a network, a molecule, an atom, a planet with a ring, and a chemical structure.

### About ESO 2018

ESO (EuroScience Open Forum) is the largest interdisciplinary science meeting in Europe. It is dedicated to scientific research and innovation and offers a unique framework for interaction and debate for scientists, innovators, policy makers, business people and the general public. (4000+ delegates from 80+ countries, 400+ journalists and science communicators, 150+ conferences, workshops and scientific sessions, 100+ events open to the general public, attended by more than 35 000 participants). The city chosen to host the event becomes «European City of Science».

The 8th edition of ESO (9-14) will take place in Toulouse, France, European City of Science 2018.
